

**WEEKLY UPDATE**

**June 24, 2020**

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Crosbyton Nursing and Rehabilitation Center has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working very hard to make sure they are safe, we also want to make sure they are having some fun! Some of our activities have been educating weekly on hand washing activity, going over procedures of how to wear mask, social distancing, and informing residents on any COVID-19 updates. We have also included some outside activities such as our "Sunny day" parade and bar-b-ques for our residents.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (806) 675-2342.

Sincerely,

*Martha Ruiz, LNA*
