

WEEKLY UPDATE

July 30, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

We have been staying safe and enjoying different activities. Monthly residents' council meeting is done in a room to room style. Making sure that all needs and concern are addressed and taken care of in a timely manner. Residents have named several staff that our doing a great job.

We have had to step back from our social and group events, leaving us to use a cart for changes of different activities that we do. Fun activities have been Father's Day when we had a BBQ outside and root beer floats, coffee and donuts in the morning with a chat brings a social aspect back to each resident, afternoon ice cream and cokes is a favorite time to remember summer days.

Our staff is working on learning how to do hair and nails to bring a smile to our resident's face. We all have been learning by doing trivia in the afternoon as we maintain the social distancing guidelines.

Family connection is very important lots of phone calls and facetime calls have happened daily. Door visits have increased in the last few weeks with the addition to a speaker system allowing everyone to hear each other. And again, please reach out to us if you want to be able to reach your family.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (806) 765-2342. Thank you for allowing us to care for your love ones.

Sincerely,

Martha Ruiz, LNFA
Administrator
