

**WEEKLY UPDATE**

**August 6, 2020**

Dear Residents and Families/Representatives,

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

It is hard to believe that it has been over four months since COVID-19 changed all of our lives so drastically. We have all had to make big adjustments in an effort to keep everyone in our community safe, and we appreciate your support as we continue to take all necessary steps to prevent further spread of COVID-19, especially now that school is here for fall semester.

After speaking with many of you about the importance of communicating with your loved ones, I have seen an increase in the amount of incoming calls, face timing, letters/cards and front door visits. Some of you have been sending packages for our residents and they appreciate having writing and reading materials. Please continue to stay in touch as we still navigate the challenges of COVID-19.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (806) 729-1129.

Sincerely,

*Martha Ruiz, LNFA*
